- Space is limited on the Mission Opportunities.
- Deposits are non-refundable due to the fact that we purchase the most inexpensive airline tickets possible and they are non-refundable, non-transferrable.
- All trip costs are approximate and are not final until we know the cost of airline tickets.
- Please observe the application deadlines as we will be utilizing applications for ALL mission trips this year for consistency.
- Passports are needed on all Mission Opportunities out of the US. Time varies on acquiring one, but plan on a minimum of 90 days. Also, your Passport should not expire within 4-6 months after travel.
- Immunizations needed vary on out of country mission opportunities. For any out of country trips, an up to date Tetanus Booster and Hepatitis immunization are recommended.

There will be weekly and monthly outreach opportunities locally. So look for information in the bulletin and mailout.
