

A Ministry of Appalachian Bible College

Guidelines for Conduct

- The group leader is responsible to inform all members of his/her group of the standards of Appalachian Bible College and Alpine Ministries. Leaders are also responsible to provide adequate supervision of their group during periods when guests are not actively involved in programming led by our staff.
- The use of cigarettes / tobacco products, alcohol, illegal drugs, fireworks, and firearms are prohibited on the campus of Appalachian Bible College and the facilities of Alpine Ministries. Guests must also refrain from such activities during any of the off-site activities. The entire campus is a smoke-free and tobacco free environment.
- Excessively loud or questionable styles of music that may be offensive are prohibited (this includes many contemporary styles of music). The volume of the music being used should be confined to the room or area in which it is being played. Alpine reserves the right to limit the use of certain styles of music.
- Physical contact and public displays of affection by single men and women are discouraged.
- No clothing shall be allowed that has questionable or offensive logos, signs, pictures, or wording. Loose fitting shorts are permissible but should have a length below mid-thigh. Girls should refrain from wearing spaghetti strap shirts and shirts that do not cover the midriff. Shoes must be worn at all times. No two-piece swimsuits are permitted. Ladies should wear shorts and a shirt over their swimsuits during activities and while walking to and from the pool.
- Offensive language or swearing is not allowed.
- Guests should not bring skateboards, roller blades, or scooters.
- Facilities and equipment are only available when they have been reserved. Guests should not enter facilities during times that have not been reserved for their group. No swimming or wading is permitted in the swimming pool or the lake area without the supervision of Alpine's lifeguards.

- The campgrounds of Alpine Bible Camp are off-limits for groups not staying in the Alpine Cabins. The campgrounds includes the cabins, Alpine Lake, and the wooded areas beyond the Gilmore Gymnasium.
- Guests are to leave facilities as they found them. Damages to room furnishings and equipment will be deducted from the group's Security Deposit. Any additional costs above the amount of the Security Deposit will be billed to the group leader or to the group organization. Group leaders are to monitor excessive dirt and trash from their group. Water fights and shaving cream battles are forbidden.
